AGRICULTURAL FAIRS AND EXHIBITIONS

CA 20X
AF
- A32

Discover the excitement of agricultural fairs throughout Ontario. These popular fairs have been in existence since 1792 when the Governor of Upper Canada, John Graves Simcoe, was a patron of the first fair at Niagara-on-the-Lake. Since the beginning, fall fairs, as they are widely known, have flourished. Over 230 fairs are going strong across the province. The agricultural societies behind these fairs draw most of their strength from the rural population.

Agricultural fairs and exhibitions attract people from miles around. They appeal to those who are involved in agriculture, and those who have never seen a farm.

There is something for everyone, both young and old, to enjoy at Ontario's fall fairs. People gather to watch livestock showing and judging. They take in the various craft, baking, floral and vegetable displays. As well, there is often entertainment by local talent, and some professional shows. Many fairs have midways to explore and interesting exhibits which make each fair unique.

The following list shows some of the highlights of each of the fairs. Larger fairs are in larger type. While some have already started, the majority of agricultural fairs are held from mid-August to mid-October. They vary in duration from one day for smaller fairs, to the Canadian National Exhibition of 20 days.

FOIRES ET EXPOSITIONS AGRICOLES

Partez à la découverte des foires agricoles de l'Ontario. Ces foires populaires ont vu le jour en 1792, date de la première foire, organisée à Niagara-on-the-Lake, sous le parrainage du gouverneur du Haut-Canada, John Graves Simcoe. Depuis les débuts, les foires d'automne, comme on les appelle souvent, ont connu beaucoup de succès. Il y a plus de 230 foires dans la province. Les sociétés agricoles qui organisent ces foires tirent leur force de la population rurale.

Les foires et expositions agricoles attirent les gens de toute la région avoisinante. Elles intéressent surtout les personnes qui s'adonnent à l'agriculture ou qui n'ont jamais vu une ferme.

Jeunes et vieux trouvent des choses intéressantes aux foires d'automne de l'Ontario. On y va pour voir les présentations et concours de bétail, ou pour admirer les différentes expositions d'artisanat, de produits de boulangerie, de fleurs et de légumes. De plus, il y a souvent des spectacles par des artistes locaux ou même professionnels. Bon nombre de foires comportent des manèges ainsi que d'intéressantes expositions qui leur donnent un cachet unique.

La liste qui suit donne les principaux renseignements concernant chaque foire. Les foires les plus importantes sont indiquées en caractères plus gros. La plupart des foires agricoles se tiennent entre la mi-août et la mi-octobre. Leur durée varie d'un jour dans le cas des foires plus petites à 20 jours pour ce qui est de l'Exposition nationale canadienne.

STEP INTO ONTARIO'S RURAL PAST at the Ontario Agricultural Museum. This living Museum of over 30 buildings and displays features daily demonstrations of spinning, wheel-wrighting, blacksmithing and farming activities. Special events are featured throughout the season. More than a Museum and more than a farm, the Ontario Agricultural Museum traces the evolution of agriculture in Ontario.

The Ontario Agricultural Museum nestles on a 32 hectare (80 acre) site at the base of the Niagara escarpment. It is open from May 22 to September 23.

An ideal outing for the whole family, the Museum welcomes reservations for group and school visits as well as family picnics. Exit at Highway 25 from Highway 401, located on Tremaine Road (Townline) near Milton, Ontario.
